

Interdisciplinary Graduate Program in  
**Molecular & Cellular Biology**

*Fall 2012 Workshop & Seminar Series*

**“Molecular mechanisms of metalloenzymes driving important biological pathways”**

**Mishtu Dey, Ph.D.**

Assistant Professor of Chemistry  
University of Iowa

*Molecular & Cellular Biology Faculty Candidate*

**"Building eyes from the skin up"**

**Budd Tucker, Ph.D.**

Assistant Professor of Ophthalmology  
University of Iowa

*Molecular & Cellular Biology Faculty Candidate*

**Thursday, August 23  
4:00-5:00 p.m., 1289 CBRB**
